1950 - 2020

*When the road looks rough ahead  
And you're miles from your nice warm bed  
You just remember what your old pal said  
You've got a friend in me*

*And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
Boy, you've got a friend in me*

After an amazing life in the spotlights,  
and with still so many musical plans ahead,  
the lights have gone out far too soon.  
With pain in our hearts we have had to say goodbye to  
my loving husband and best friend and our wonderful father.
